

Resolution #211

Project No. ISRC-(1)-9G-66

Whereas the City of Osage and Mitchell County have previously entered into an agreement under Chapter 28E for the co-operative participation of each in one certain project for road construction affecting both parties; and

Whereas the City of Osage was designated the lead agency for the project; and

Whereas the project was funded with a RISE grant of \$375,000; and

Whereas the grant was allocated \$258,750 to the city and \$116,250 to the county; and

Whereas the city's share of the project resulted in expenditures of \$181,187.37 and having unused grant funds of \$77,562.63; and

Whereas the county's share of the project will utilize both the county's share of the grant plus the unused portion of the allocation to the city;

Now therefore,

Be it resolved that the City of Osage and the County of Mitchell shall petition the Iowa Department of Transportation for a re-allocation of the grant to allocate to the county the amount of the unused portion of the allocation to the city (the under run.)
