

On this 21st day of November, 2000 at a regular meeting of the Mitchell County Board of Supervisors the following Resolution was presented, moved and seconded and unanimously passed.

RESOLUTION # 488 - 00

* * *

WHEREAS, the ISAC Steering Committee is considering repealing the bottle and can redemption law and Mitchell County believes that the can and bottle redemption law should not be repealed in that this would negatively affect employment placement for physically and mentally challenged individuals; and

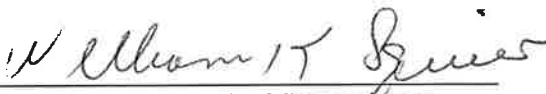

WHEREAS, many workshops have programs that train consumers in sorting and counting of recycled cans and bottles; and

WHEREAS, these workshop consumers are placed in supported employment position in the private workforce and perform these same duties; and

WHEREAS, if there were no can and bottle redemption law, these opportunities would be lost; and

WHEREAS, the repeal of the can and bottle redemption law would have a negative effect on the natural resources and environment of the state of Iowa;

BE IT NOW RESOLVED that the Mitchell County Board of Supervisors opposes the repeal of the redemption law, Iowa Code §455C, and supports the expansion of that law.

Chairperson, Board of Supervisors

ATTEST:

Sandra Heckstein, Auditor
