

RESOLUTION #496-01

WHEREAS, Mitchell County and its communities desire to complete a county-wide comprehensive housing needs assessment that would document the current housing inventory, project future housing needs, and set a plan to meet those needs, and

WHEREAS there is sufficient in-kind support and expertise throughout the county from agencies, organizations, business leaders, civic leaders, and from the general citizenry who have an interest in housing and community/economic betterment to not only aid in completing the elements of a good comprehensive assessment but to also implement the recommendations and strategies put forth in the assessment, and

WHEREAS, the Iowa Department of Economic Development Community Development Fund requires a local match for funding,

NOW, THEREFORE BE IT RESOLVED, that Mitchell County will make available \$3,000 as a cash local match for the Community Development Fund application.

Adopted this 17th day of April, 2001

Cheryl A. Jahnel, Chair
Mitchell County Board of Supervisors
