Supervisor Frein asked about how to handle meetings with multiple people from the public wanting to speak on one topic. It was suggested the public use public comments if not on the agenda but not taking advantage of that agenda item. There was discussion on having speakers present versus online, but there are individuals that take time to be present online for the whole meeting. The public should not use 'tagging' to present at a meeting. Supervisor Marzen suggested having the chair sit in the middle of the board, as people seem to look straight forward and focus on that spot.

Motion by Marzen, second by Hartogh to accept MOU for Iowa Primary Care Association. Roll call vote: all voted aye.

Items of Note: Wherry, Hartogh, Marzen, Hendrickson, and Frein had nothing to report. There was discussion on having a board meeting next Tuesday or not, and the board had no new business so there will not be a meeting on January 6<sup>th</sup>.

Frein adjourned the meeting at 9:28 a.m.
