

Iowa Department of Natural Resources
Application for Non-Public Water Well Construction Permit
 All wells in Iowa must be constructed by an Iowa DNR Certified Well Contractor or the property owner.

CASHIER'S USE ONLY
 0376-542-W300-WC-0597
 Applicant's Name _____
 DNR Cert No. _____

A Private Water Well Construction Permit cannot be issued for a well that will provide water for 15 or more service connections or serve 25 or more people per day, 60 or more days per year regardless if the well will be privately or publicly owner.

Examples of facilities that CAN NOT be permitted and constructed by this application are: towns, subdivisions, churches, recreational facilities, business parks, bars, taverns or adult entertainment establishments, food preparation/restaurants, theaters, and day care centers.

Any proposed well owner(s) who seek to have a water supply well constructed for any of the above categories must call the Water Supply Engineering Department of the Iowa Department of Natural Resources for consultation. Please call (515) 725-0282 for more information.

REQUIRED INFORMATION Note: Incomplete applications cannot be processed and will be returned.

_____ ¼, _____ ¼, _____ ¼, Sec. _____, T _____ N, R _____	<input type="checkbox"/> W				
	<input type="checkbox"/> E				

CERTIFICATION OF APPLICATION

I Certify that I am not applying for a permit to construct a Public Water Supply well and that all information listed above is correct to the best of my knowledge. I have listed all existing wells. Any well not in use must be sealed as standby wells or properly plugged within 90 days and DNR for 542-1226 filed with the Department of Natural Resources.

Applicant Signature: _____ **Date:** _____

Submit this Application with a **plat map/aerial photo (with location of listed wells clearly marked)** and a non-refundable fee

to: _____ (Delegated County)	or	Department of Natural Resources Water Supply Section 502 E 9th St Des Moines IA 50319	FEE: \$ _____
