

## FMC FLOYD MITCHELL CHICKASAW EARLY CHILDHOOD IOWA AREA

FY 19  
STRATEGIC PLAN

### VISION

The Floyd-Mitchell-Chickasaw (FMC) Early Childhood Iowa Area envisions that children prenatal to school age, will live in a healthy, safe and nurturing environment in order to become successful and contributing members of our community. Families will be strengthened and empowered through support services leading to their own self-sufficiency.

- Secure & Nurturing Families
- Secure & Nurturing Child Care Environments
- Children Ready to Succeed in School
- Safe & Supportive Communities
- Healthy Children

### STATE RESULT AREAS

### MISSION

The FMC ECI Area will work to provide assistance so that:

- Each child has a right to be safe, healthy, nurtured and educated
- Families are the primary caregivers and educators of their children
- Working collaboratively results in eliminating barriers, meeting identified objectives and utilizing resources more effectively
- Programs and services will have a strong component of outcomes-based measurement for families and children that is realistic, with success indicators that show progress
- The FMC area community and families will be strengthened through the fostering of community-based partnerships between citizens, education, government, health, social services and other vision-committed individuals and collaborating providers.

### FMC PRIORITIES

- Parent Education through Family Support/Home Visitation & Group Opportunities
- Quality Early Child Care Settings
- Quality, Affordable Preschool Opportunities
- Availability and Access to Community Resources
- Access to Health Services
